

OFFICE OF THE
ASSOCIATE DEAN (RESEARCH)
KHYBER MEDICAL COLLEGE PESHAWAR.

No. ____/CM/KMC

Date:- 15-6-2021

Interviews for Students Research Committee (SRC)

Khyber Medical College is pleased to announce the official inception of **Students Research Committee (SRC)**. SRC falls under the patronage of **KMC Research Cell** which is directly supervised by **Research Advisory Board KMC/KTH** and **Associate Dean Research KMC/KTH**. SRC is a student-based body and the idea behind its formulation is to promote and facilitate research related activities among students to help them with their present and future endeavours. SRC further comprises of two member **faculty board** and a **student board**. The faculty board is headed by **Dr Jehan (Assistant Professor, Department of Community Medicine, KMC)** and **Dr Nangial Bashir Ullah (Demonstrator, Department of Community Medicine, KMC)**.

As for the student board, we are looking for highly motivated individuals interested in research related activities. Needless to say, members of the student board will be regarded as pioneers of the SRC and will have their resumes decorated for brighter future prospects. Selection of the candidates will be done through **merit based interviews**. **Successful candidates** may be assigned further **designations** in the SRC based on **interview performance**.

Interested candidates from all years are required to provide their **name, year, class number** and **signature** clearly on a **blank paper** and leave it at the **clerk office in Community Medicine and Public Health Laboratory(Community Medicine Museum)**.
