

## Publishing Article in Impact Factor Journal

Keeping in view the importance of publishing a quality work in reputable journals, the Research Cell-KMC organised an interesting workshop on "Publishing Article in Impact Factor Journal". Prof Dr Bushra Iftikhar (Chairperson, Dept of Community Medicine) welcomed the participants from KMC and KTH. The guest speaker Dr Iftikhar Uddin (Assist Prof, Department of Public Health and Focal person R&D, Bacha Khan Medical College, Mardan) and Dr Imran Marwat (Assist Prof, Dept of Community Medicine, KMC) facilitated the session and briefed about searching HEC recognised journals and their categories. He also shared tips on how to design a paper that has a good chance of being accepted in journals with high IF.

Next CME accredited workshop on "Reference Management Skills" is scheduled to be held on June 13th, 2022 at 9:00 am in the conference room of Community Medicine Department, KMC.
