

"HANDS ON WORKSHOP ON SPSS"

Department of Community Medicine under the umbrella of Research Cell, Khyber Medical College arranged a comprehensive 03 days workshop on SPSS for its faculty. The session started with the recitation of Holy Quran. On Day 01, Assistant Professor Dr Hayat Muhammad welcomed the participants and briefed them about basics of Biostatistics and SPSS. On Day 02, Assistant Professor Dr Kashif Rahman demonstrated the data entry in SPSS and its analysis. On Day 03, Assistant Professor Dr Adeela Mustafa, Dr Natasha and Biostatistician Mr Hamid explained the application of different statistical tests in SPSS and their interpretation through hands-on activities. Next CME accredited workshop on "Article Publication in IF journal" is scheduled to be held on June 6th & 7th, 2022 at 9:00 am in the conference room of the Community Medicine department, KMC.
